

SUMMER CAMPS FOR KIDS

Give your child a summer to remember by signing them up for our Canyon Kids Summer Day Camp. Your child will take an adventure each week with us! Campers will participate in fun games, swimming time, weekly field trips, arts and crafts, and more. Our scheduled activities will tie into each week's theme. All activities are age appropriate. Your child will need to bring two snacks, lunch, and bottled water daily. **NEW** this year — **ONLINE** registration!
