

CHECK IN, CHECK OUT

Convenience & Time Savings At Your Fingertips

Check In, Check Out has never been easier! ePACT's new add-on feature improves the drop-off and pick-up process for all families in your programs. From before and after-school care to camps and sports programs, Check In, Check Out helps ensure the safety of your participants, and archives records for licensing retention requirements.

- ✔ Perform check in and check out functionality from the ePACT Admin App, accessible on smartphones or tablets.
- ✔ During drop-off or pick-up, select which legal guardian, emergency contact, or pick up contact is present, and have them initial or sign on your device.
- ✔ Conduct regular participant head counts throughout a program or activity.
- ✔ Generate daily system reports with time stamps, initials, and signatures for tracking purposes.
- ✔ Automatically archive records for your organization's required licensing retention period.

Contact your Account Manager to learn more.

Save time by eliminating hard copy sign in/sign out sheets, improve audit tracking, and keep important participant information at your fingertips.

This upgrade to the ePACT App is now available on the App Store and Google Play.
