- To provide an emotionally and physically safe environment.
- To help children build and develop feelings of self-worth and appreciation of other people, through Christian values.
- To allow children to experience activities in nature, contributing to constructive and enjoyable use of leisure time throughout life.
- To establish behavior guidelines and discipline acceptable to all campers and staff.
- To help children learn and develop physical fitness and team cooperation through exposure to various sports and games.
- To provide a forum for the exploration of creativity and imagination through participation in arts, crafts, and cultural activities.

FINANCIAL ASSISTANCE

Our programs and services are available to everyone regardless of ability to pay. Parents are encouraged to apply to Child Care Connections first to see if they are awarded any State funding.

The YMCA Camp financial assistance program uses a fee scale designed to meet financial needs of most families and individuals. If we can serve you or your family in this way, please complete the Financial Assistance Application available online at www.capitalymca.org or visit our local YMCA branch at 431 Pennington Avenue, Trenton, NJ. Honesty: Being honest, dependable & loyal.

Respect: Living the Golden Rule, accepting others, showing courtesy and manners.

Responsibility: Being accountable, doing one's best.

Caring: Being kind, compassionate & understanding, showing love and charity to others.

All campers are allowed in the shallow end. Floatation devices will be provided at the pool for children who cannot demonstrate the ability to swim. DROP-OFF/PICK-UP & PARKING

At drop-off/pick-up times the parking lot can be highly congested, as many other parents are dropping off as well. Please follow the signs for express drop off to ensure a speedy process. If you need to speak with camp staff, please park in a designated spot and go to the parent table. Vehicles that do not park in appropriate spots are subject to towing and will be responsible for any fees incurred. Remember to set a good example for our children. 

COVID 19 INFO

The Capital Area YMCA'S Safety Plan starts with screening all campers and staff for symptoms. We will ask campers and staff to take their temperatures daily before arriving using the Fever Free App and to self-report Covid-19 symptoms, such as a sore throat or loss of taste or smell. After campers and staff arrive, we may continue to screen as often as daily, isolating or sending home anyone with symptoms.

PARENT RESPONSIBILITIES

The Capital Area YMCA recognizes that parents/guardians are the most important people in a child's life. We believe parents/guardians are #1 in importance; they are also #1 in the ability to influence and motivate their children. We welcome your advice, participation and support. If you have an issue, concern or question please speak with your Group Leader. If they are unable to meet your needs, please contact the Camp Director.

We ask that you help us and uphold these basic responsibilities:

- You are responsible for your child upon arrival to camp until he/she has been signed in using the ePact system and acknowledged by a staff member. Your child may not be signed in before the start of camp.
- All campers must be signed in/out each day by a staff person using ePact. Campers will only be released to persons listed on the registration form. To ensure safety  all adults must show valid photo I.D. when picking up children.
- Review the camp "Code of Conduct" and transportation rules with your child.
- Updated personal information: Providing updated information to the Y is the responsibility of the parent and must be made immediately at the time of any change.
- Daily conversation with them regarding their day goes a long way!

Parent relations are conducted by the Camp Director.

Team leaders certified teachers assistant 18 and over with at least 2 years’ experience working with are responsible for the direct supervision of a small group of campers. Many assistant team leaders are local high school juniors or seniors. All team leaders must be over the age of 18. BABYSITTING

YMCA staff shall not socialize with children enrolled in YMCA programs outside of approved YMCA activities, including babysitting or transporting children. Immediate disciplinary action will be taken by the YMCA toward YMCA staff if a violation is discovered. PLEASE DO NOT ASK STAFF TO BABYSIT!

HEALTH AND SAFETY

A Registration Packet must be completed in full for each camper and returned upon camp registration. All pages of the Registration Packet will need to be completed in full for your child to attend Camp. Safety is our primary concern. We strongly enforce safety rules for all campers. We believe in the positive reinforcement approach and work very hard with campers to teach safety always. Designated staff are CPR, AED, and First-Aid Certified and asked to only give care within the scope of their training. If your child is injured or ill at camp, we will take whatever steps are necessary to provide appropriate care. These steps may include but are not limited to:

- A. Sent to the Group Leader for care
- B. Attempting to contact parents and/or persons named as emergency contacts.
- C. Summoning 911/emergency care for medical emergencies requiring hospital intervention
- D. Assigning a counselor or a designated person to go with the child to the hospital or medical facilities, if a child is sent.

Please remember that children will never be transported by any YMCA Camp employee. Special needs, allergies, or behavioral concerns should be reported to the camp director prior to the start date of camp so that adequate and appropriate preparation and care can be provided for each camper.

MEDICATION POLICY

A Medication Authorization Form must be completed and signed by the parent or guardian for any medication to be taken at camp. Medication must be brought to staff in its original prescription labeled container. The label must clearly identify the child's name, doctor, date, prescription name and dosage. All medication must be kept in the designated area and is self-administered under the supervision of the Health Director or Assistant Health Director only. Staff will be advised to the times when campers should come for medication, which will be based on the form submitted by the parent. In the event a camper needs medication, such as an inhaler, to be kept with them, it is to be kept by the staff member assigned to that camper. Staff is NEVER permitted to dispense medication including over the counter and vitamins! Campers taking medication must come to the office. Children requiring EPIPENS must turn in all medication to the appropriate Group Leader and inform

them of any special instructions. Please note: The Capital Area YMCA Camp does not provide medical or hospital insurance for medical costs incurred by the individual or immediate family as a member of the YMCA or a participant of any of its activities. Therefore, any costs incurred for such treatment will be the responsibility of the individual family.

ILLNESS POLICY

If your child is ill and will not attend the Summer Camp Program, please contact the Camp Director by 8:00am to inform us of the absence. If your child becomes ill while in our care, a parent will be contacted and asked to pick up their child immediately. We are currently using the application call Fever Free. If your child is sick or has a fever, they will be isolated, under the care of the Health Director's office, until the parent arrives. If the parent cannot be reached, the staff will phone the emergency contact person(s) listed on the child's enrollment form. The YMCA is not licensed to provide care for sick children. Camp Staff have the authority to ask a parent to remove their child from the program, if that child appears ill or their health is judged to be detrimental to the other children and staff. Parents or emergency contacts are required to pick up the ill child within one hour of being contacted.

Children exhibiting the following symptoms may not attend the program:

- Severe pain
- Vomiting
- Temperature over 99 degrees
- Diarrhea or blood in urine
- Swollen joints
- Jaundiced skin, yellow eyes or red eyes with discharge
- Visibly enlarged lymph nodes
- 2 or more episodes of vomiting in 24 hours
- Infected/untreated skin patches or rash lasting more than one day
- Evidence of head lice or nits

If your child develops any of the above at home or while at camp, he or she cannot attend or return to camp until 24 hours later. If your child is being treated with an antibiotic, they must be on the medication for a full 24 hours before returning to camp. A written doctor's note must be submitted to receive any appropriate refunds.

INJURIES

Injuries will be treated as needed: washing, applying Band-Aids or ice packs. Parents will be notified upon pick up, and given an incident report explaining the details. Parents will be contacted immediately in the case of more serious injuries, in which medical attention is needed.

CHILDREN WITH SPECIAL NEEDS

The Capital Area YMCA Camps will accept children with special needs into our programs and make a reasonable effort to accommodate the child without fundamentally altering the summer camp program. The Camp provides group care and is not able to provide personal assistants for children with special needs at this time. Please speak with the Camp Director upon registration to discuss the needs of your child.

BEHAVIOR AND DISCIPLINE POLICY

It is the goal of our YMCA to provide a healthy, safe and secure environment for all Summer Camp participants. Children attending Summer Camp are expected to exhibit Character Counts values, follow basic behavior guidelines and to interact appropriately in a group setting. Please remember that you are your child's biggest role model. Discipline is viewed by our staff as a teaching opportunity. Our goal is to teach children the kind of self-control that results in appropriate, cooperative behavior. Redirection is the first logical step to behavior management. Should a problem persist, natural consequences and removal from an activity will be used as a form of discipline. In the event that chronic behavior problems develop, incidents will be documented and communicated to the parent. The following behaviors are unacceptable and may result in the immediate suspension of a child for the remainder of the current day and/or further time period:

- Endangering or threatening to endanger the health and safety of others, self, children, staff or volunteers.
- Stealing or damaging YMCA, host site, or personal property.
- Leaving the program or boundaries as set by staff without permission.
- Continuous disruption of the program
- Refusal to follow the behavior guidelines of the program.
- Using profanity, vulgarity or obscenities
- Acting in a lewd manner

While the fore mentioned is the general outline of our behavior procedures, the YMCA reserves the right to ask parents to find alternative arrangements for their child without prior notification, as deemed necessary for the safety of staff and/or program participants, not limited to the fore mentioned behaviors.

FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

Immediate expulsion may occur if a child is in possession of and/or using tobacco, alcohol, illegal drugs, firearms, knives, explosives or any other weapon.

At no time, will swearing, abusive language or physical violence be allowed by children, staff, volunteers or parents. In addition, the YMCA strictly enforces all rules and regulations set by the local school or host sites.

BULLYING POLICY

As defined by the New Jersey Coalition for Bullying Awareness and Prevention, "Bullying is an act or threat that is unprovoked, repeated, aggressive, intended to cause fear, distress, harm, may be physical, verbal, or psychological in nature or combination, and may be bias/prejudice. Acts of bullying may include name calling, slurs, epithets, put-downs, taunts, teasing, bodily harm, hitting, kicking, tripping, shoving, taking or damaging personal property, saying/writing inappropriate things, starting rumors, public humiliation, deliberate exclusion and coerced actions." (New Jersey Coalition for Bullying Awareness & Prevention)

Any camper observed bullying another camper or campers would have their parents notified along with the camper or campers being bullied. If the problem persists, the YMCA may remove the camper who has committed the act or acts of bullying from camp.

EMERGENCY/NATURAL DISASTER PLAN

In the event a natural disaster occurs, our goal is to keep children safe and calm. The Camp Director will determine the safest plan of action. The Camp Staff will always keep the camper's emergency information with them always. Our designated area of safety for Camp in the event we need to evacuate a facility is the grass fields (all YMCA locations). Our designated area of safety for camps in the event we need to take cover indoors is the appropriate gymnasiums.

You may want to consider planning for a friend or relative who works or lives close to the YMCA to pick up your child in case of a disaster. Their names must be included on the emergency contact list on your Emergency/Health Information Form. Remember, they must have a Photo ID and they must be at least 18 years old. Remember, making plans prior to emergencies can expedite the safe release of your child. Camp closure due to a natural disaster is at the discretion of the Chief Executive Officer or Chief Operating Officer. If questionable situations arrive, please call the Capital Area YMCA at 609-599-9622. If an immediate closure of Camp is deemed appropriate, the Capital Area YMCA will contact parents immediately via ePact, phone or email, as well as post further information on our website at trentonymca.org.

FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

Please remember, no credits will be given for absences due to family trips, holidays, vacations, disasters, emergencies, or days we are scheduled to be closed. Please secure vacation plans prior to camp registration and register only for weeks needed.

The Capital Area YMCA Camps assumes no responsibility for lost or stolen items. Please label all belongings with permanent marker. If something is misplaced, check the camps lost and found area. Please leave all toys and games at home. Unclaimed and found articles will be discarded at the end of the camp season.

PHOTO RELEASE

The Capital Area YMCA Camps may take photos, videos or sound recordings of your children in our child care programs. We often use them for crafts, projects, or posted online. The Capital Area YMCA Camps reserves the right, and if granted permission by the parent as indicated in the registration packet, to photograph or film any child while they are participating in any camp activity.
