Race (check one or more): American Indian or Alaskan Native Asian Black or African American Multi-Racial

The Richard B. Russell National School Lunch Act requires the information on this application. You do not have to give the information, but if you do not, the funds your child care center/provider receives may be impacted. You must include the last four digits of the social security number of the adult household member who signs the application. The last four digits of the social security number is not required when you apply on behalf of a foster child or you list a Basic Food, Temporary Assistance for Needy Families (TANF) Program or Food Distribution Program on Indian Reservations (FDPIR) case number or other FDPIR identifier for your child or when you indicate that the adult household member signing the application does not have a social security number. We will use your information to determine the meal reimbursement for your child care center/provider. We MAY share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs, auditors for program reviews, and law enforcement officials to help them look into violations of program rules.
