

## FRIEND REQUEST FORM

We realize that you may wish your child to be in the same group with one of their friends. We cannot guarantee that all requests will be honored. Directors will attempt to grant your wishes as best as possible under the following conditions:

- Friends are within one year of age. Due to the physical nature of fencing, we group campers together of similar age to limit size differences.
- Up to two friends can be requested.
- Make your requests on the form below.
- Requests need to be submitted two weeks in advance.
