Park Forest is committed to maintaining its facilities and conducting its programs and activities in a safe manner and holds the safety of participants in high regard. Park Forest continually strives to reduce the risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for programs/activities must recognize that there is an inherent risk of injury or exposure to viral infections such as Covid-19 when choosing to participate in recreational activities/ programs.

You are solely responsible for determining if you or your minor child/ward is physically fit and or skilled for the activity contemplated by this agreement. It is always advisable, especially if the participant is pregnant or disabled in any way or recently suffered an illness, injury or impairment to consult a physician before undertaking any physical activity.

Warning of Risk:

Despite careful and proper preparation, instruction and equipment there is still a risk of serious injury and exposure to viral infections such as Covid-19 when participating in any recreational activity/program. Understandably, not all hazards and dangers can be foreseen. Depending on the particular activity, participants must understand that certain risks, dangers and injuries due to inclement weather, slipping, falling, poor skill level or conditioning, carelessness, horseplay, un-sportsmanlike conduct, premises defects, inadequate or defective equipment, inadequate supervision, instruction or officiating and all other circumstances inherent to indoor and outdoor recreational activities/programs exist. In this regard, it is impossible for the Village of Park Forest and the Recreation, Parks & Community Health Department to guarantee absolute safety.
