INDIVIDUALIZED EDUCATION PLANS (IEP) & INDIVIDUALIZED FAMILY SERVICE PLANS (IFSP) INFORMATION SHEET

Because of the diverse set of needs of the children in our programs, it is important to gather as much information about the best ways to educate each child. IEP's and IFSP's are created by service providers working with children with special needs and include information and goals vital to the child's development. If your child currently has an IEP/IFSP, or receives one after enrollment in our program, it would be beneficial to share a copy of this plan with us so we can work together to ensure that the guidelines are put into practice.
