Dear Parents:

Welcome to the Woodridge Park District Winter Wonder Camp. Your child is about to begin a program that will be fun-filled, exciting, safe and educational.

This manual will help answer the numerous questions you may have regarding our program. Please read through the information and discuss all of the following policies and procedures with your child.

Also, please sign all corresponding forms and return to the park district by the Thursday before your child is scheduled to begin camp. Your child will not be able to participate in camp activities until the necessary paperwork has been completely filled out and returned. A late fee will be charged if your child is not registered by the registration deadline and if all appropriate forms have not been turned in on the Thursday before your child starts camp.

Please keep this manual to refer to throughout the camp program. Periodically, additional information will be sent home.

Feel free to call (630) 353-3400 if you have any questions concerning camp.

Our staff is looking forward to a safe and enjoyable winter break!

Sincerely,

I. GENERAL INFORMATION

Park District Mission Statement

The mission of the Woodridge Park District is to enhance one's quality of life by providing superior parks, facilities, and recreational services in a fiscally responsible and environmentally sustainable manner, in partnership with the community.

Winter Wonder Camp Philosophy

We hope that the Woodridge Park District camp offers a program that provides each camper with the opportunity to:

- Participate in wholesome recreation and receive the highest quality of activities for the purpose of enjoyment and learning.
- Learn how to work and play as a member of a group without loss of one's individuality.
- Develop healthy habits, a sense of fair play, and a respect for property and equipment.
- Develop an appreciation of nature, the environment and the earth's beauty.
- Participate in creative play in an indoor and outdoor setting, which will ensure the health and safety of the camper.

Program Content

Activities throughout the program may include in house entertainment, arts and crafts, games, organized sports, and time spent playing in the snow! Campers will spend most of their time at the Athletic Recreation Center.

Special Accommodations

Upon registration or entry into the program, the parent/guardian should be solicited for any information regarding special accommodations needed for the participant. If any of these special accommodations are behavior related, the parent/guardian should be contacted for information about any behavior modification programs in place at school or home. Attempts should be made to utilize these in the program. Also, the inclusion coordinator from the Special Recreation Association (SRA) should be contacted for guidance. Documentation should be maintained regarding any problem behaviors, special accommodations, and behavior modification programs.

SEASPAR SEASPAR is the South East Association for Special Parks and Recreation. This organization provides year-round recreation activities for individuals with disabilities and cognitive delays. SEASPAR also provides inclusion assistance to those individuals who wish to participate in their home district program. Park District staff training, adapted equipment, or a program aide is made available to facilitate a positive recreation experience. The Woodridge Park District works in cooperation with SEASPAR to assist those individuals that wish to attend camp and need additional assistance. Upon registration or entry into the program, the parent/guardian needs to request special assistance. The parent/guardian will be contacted by the Camp Director and asked to fill out informational forms, as required by SEASPAR. These forms contain vital information for SEASPAR and camp staff to better prepare to meet the needs of a camper that requires assistance.

Hours of Operation All Day Camp: 9:00- 4:30pm

***** There will be no Before & After Camp this year.**

Please consider these times when dropping off and picking up your child. If your child is going to be late or absent, **please notify us as soon as possible and preferably before 9 a.m.**

ePACT Network & Required Forms

The Woodridge Park District summer camp programs will utilize an online system for parents and guardians to submit camper paperwork and required forms. This online system also allows camp staff to stay in contact with parents/guardians through a variety of means. ePACT Network is an online emergency network. Users build networks of family, friends, and organizations, store and exchange information and access web and mobile communication tools for use in a crisis. Organizations, like the Woodridge Park District, use ePACT to invite their members to share emergency information with them so they can access critical details like medical needs (e.g. allergies, medications, etc) or key contacts (e.g. legal guardians and other individuals allowed to pick up/drop off a child).

The parent/guardian listed as the main contact will receive an email, following registration, with directions and a link to complete all required forms through the ePACT Network. It is the responsibility of the parent/guardian to keep all ePACT information and forms up to date in the event that any information regarding your camper changes. It is imperative that the Woodridge Park District have an up to date email address for the parent(s)/guardian(s) of each participant.

All participants must have their parent(s)/guardians(s) listed within ePACT as well as at least two additional emergency contacts. All participants must have one contact (parent/guardian/emergency) that is able to come to camp within 30 minutes in the event of an emergency.

Parent's Responsibilities

- Communicating your child's needs with staff
- Picking your child up on time
- Communicating to staff any important information and/or changes that pertain to your child
- Assist us by keeping other children and staff healthy by keeping your sick child at home
- Keep lines of communication open – don't be afraid to approach us with your questions or concerns

About the Staff

Recreation Camp Leaders are a mixture of mature and enthusiastic college students or college graduates. All camp staff attends a camp training program, which includes topics such as: supervision, safety techniques, curriculum development, and CPR/First Aid training. We are proud of our staff and think you will feel the same.

Staff Contact Information

Staff is not required to distribute their personal contact information (cell phone number, e-mail address etc.). If you need to contact camp staff during camp hours, please try the following numbers.

Athletic Recreation Center: Camp Phone: 630-310-1963
630-353-3400; the front desk staff will relay the message to the appropriate staff person.

Program Fees

All Day Fee: \$135 Per Week (R)/\$204 Per Week (N)

Refund Policy & Switch Policy

We do not prorate program fees for participants. Refunds and switches may only be considered if submitted prior to the registration deadline.

Participants will be responsible for any pre-purchased expenses as well as administrative fees per program. There is a \$5.00 administrative fee per week/per program. Thank you for your cooperation and understanding.

Tax Information

We do not provide Section 125, reimbursement accounts or tax information to parents for the Camp Programs. It is the parent's responsibility to keep track of expenses by keeping cancelled checks, credit card slips or to ask the park district for a receipt. The tax ID # is 36-2697892.

Insurance Information

The Park District is unable to assume responsibility for injuries, accidents or loss of personal property occurring at programs, parks and facilities. The Park District does not carry hospitalization insurance for program participants. Such insurance would make programs and user fees prohibitive. Your individual health care policy must cover all your medical needs.

Parental Custody

In the event that staff is notified of a custody issue regarding one of our campers, staff will inform the Recreation Supervisor immediately. Depending on the nature of the issue, if either party claims to have sole custody, partial custody, or that another guardian has no rights; parents/guardians must present legal verification of these rulings. Any and all information presented and shared with staff will remain confidential. If you have any further questions they can be directed to the Recreation Supervisor.

The box will be emptied every Monday.

Attire

- Campers should wear comfortable clothes suitable for athletic activities such as athletic pants, jeans and socks with gym shoes.
- Gym shoes are essential to the safety of your child. Please do not allow your child to wear Heelys to camp (shoes that have a roller in the heel, which allows children to "skate" around).

Lice

If a camper is found to have head lice, the camper's parent/guardian must be contacted immediately and the camper must be isolated from other campers. Campers must remain home until a doctor's note can be presented verifying that any/all nits (eggs), nymphs, and adult size lice are no longer present on the camper, camper's scalp, and camper's belongings.

Sick Child

We ask that you **please notify us as soon as possible and at least before 9 a.m.** when your child will be absent, late, and/or has any contagious or serious illness. Please call 630-310-1963.

A parent is an expert when it comes to knowing their own child, and here at camp we really rely on your judgment in keeping all of us healthy! If your child is not feeling well before camp, or the night before camp, please keep him/her home, even if no real symptoms may have yet occurred. There is nothing more traumatic for a young child than to be ill at camp. Even the best, most comforting and loving camp staff person is no substitute for Mom or Dad.

The camp staff has the authority to refuse any child who shows signs of illness. Please do not send your child to camp if they display any of the symptoms below, as they may indicate a real illness:

- Temperature above 101 F in the morning
- Diarrhea, where more than one abnormally loose stool has occurred in the last 24 hours
- Vomiting any time after 6 p.m. the preceding evening
- Severe coughing where the child gets red or blue in the face or the child makes a high-pitched croupy or whooping sound after he or she coughs
- Difficult or rapid breathing
- Yellowish eyes or skin
- Pinkeye (conjunctivitis), evidenced by tears, redness or eyelid lining or irritation, following by swelling and discharge of pus
- Infected skin patches that are crusty, bright yellow, dry or gummy
- Any contagious disease like chicken pox, measles, mumps, mono, etc.
- If an antibiotic has been given for an ear infection or sore throat, wait 24 hours before sending a child back to camp
- Severe itching of the body or scalp could indicate the presence of lice
- Severe sore throat or trouble swallowing
- Constant runny nose

If your child becomes ill or injured at camp, the parent is notified promptly. If an ambulance is called, a camp staff member rides with the child to the hospital and a parent and/or guardian is notified promptly.

Contagious diseases (chicken pox, head lice, etc.) must be reported to the Site Director and/or the Recreation Supervisor by the parent/guardian as soon as the illness is diagnosed so that we can inform other parents. Notices will be posted when contagious illness has been reported. Please advise us if your child will be absent for several days.

COVID-19

If an individual begins to exhibit symptoms during camp they must be isolated from others before being picked up to leave.* If a participant has symptoms, they should wait to enter the premises until they have had no fever for at least 24 hours, other symptoms have improved, and at least 5 days have passed since their symptoms first appeared, and after afebrile and feeling well (without fever-reducing medication) for at least 24 hours. *Per the CDC, symptoms include fever or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, sore throat, congestion or runny nose, nausea or vomiting, diarrhea, and new loss of taste or smell. After 5 days the camper can return but will need to wear a mask for an additional 5 days.

Breakfast

We do not provide breakfast for campers. It is important that each child has a hearty breakfast before arriving at camp.

Lunch

- Each camper must bring a **sack lunch** each day with his/her name printed on the outside of the bag, unless specified otherwise.
- Lunches will NOT be refrigerated.
- **Label bag as LUNCH.**
- Drinks should be brought in a non-breakable, disposable container.
- Once you arrive at camp, lunch and snack should be placed in the labeled, appropriate bin.
- Energy drinks (Red Bull, Monster, Full Throttle, etc.) are prohibited.
- On field trip days, please **pack a lunch that does not require refrigeration** and keep their lunch in their backpack.

Snack

- Children are encouraged to bring an afternoon snack and extra drink.
- Snacks will NOT be refrigerated.
- Please pack snack separately and **label it as SNACK.**
- Campers are also encouraged to bring a water bottle

Communication/Internet

Given certain developments in our culture, we believe that it is important to set guidelines regarding the exchange of contact information between campers and staff. We recognize that campers and staff develop trusting relationships with each other and that it is natural for campers to want to keep in touch with staff via the internet and/or telecommunication once camp is over. In order for us to continuously provide the safest, most wholesome experience at camp, we are asking that you fill out a permission form if your child would like to contact any of our staff at any time. Our camp does not encourage or consent to the exchange of contact information of any kind between campers and staff. Our policy is to forbid the exchange of contact information between campers and our staff, whether paid or

volunteer unless a parent or legal guardian approves the exchange of such information. If a parent or legal guardian allows their child to contact camp staff, the parent or legal guardian must sign the permission form expressly granting this permission and accepting full responsibility to oversee any contact that results. Our culture is changing rapidly and it is important that both the parents and the park district work together to keep experiences safe, healthy and positive.

Program Participant Behavior/Discipline

Participants shall exhibit appropriate behavior at all times. The Park District developed the following guidelines to help make programs safe and enjoyable for all participants. The Park District may develop additional rules for particular programs and athletic leagues as deemed necessary by staff.

Staff will use a positive approach regarding discipline. Staff will periodically review rules with participants during the program session. If inappropriate behavior occurs, prompt resolution will be sought, specific to each individual's situation. The Agency reserves the right to dismiss a participant whose behavior endangers the safety of himself/herself or others.

Behavior Agreement

Every parent must sign the behavior agreement before they may leave their child with the camp program. The agreement states that the parent and participant have read and understand the park district policy for behavior and discipline. The park district reserves the right to dismiss a camper whose behavior consistently disrupts the camp atmosphere or endangers the safety of him/her self or others.

Behavior Guidelines

- Show respect to all participants and staff.
- Take direction from staff.
- Refrain from using abusive or foul language.
- Refrain from causing bodily harm to self, other campers or staff.
- Show respect to equipment, supplies and facilities.
- Do not chew gum.

Write-Ups/Suspension may be issued for the following:

- Fighting, teasing other campers
- Damaging property and or equipment
- Digging holes in the mulch
- Destroying property of other campers
- Littering
- Climbing on the "demerit wall" that surrounds the playground equipment at the CC
- Disobeying staff or other park district staff
- Leaving designated grounds without permission
- Leaving designated group without permission
- Continual lack of participation in camp activities
- Disobeying established camp rules
- Disobeying established pool rules
- Stealing (participant will automatically receive 3 demerits and one day suspension)
- Gang association (participant will be dismissed from camp)
- Other incidents/situations that are not listed may warrant a demerit.

Discipline Procedures

1st Offense: Verbal warning

2nd Offense: Time-out/loss of privilege

3rd Offense: Write-up and parent/guardian(s) will be notified. A copy of the write-up will be sent to the Recreation Supervisor, which will be filed and a copy will be sent home with the parents, which will need to be signed and returned to the Camp Director either that day or the next day of camp.

Two three-offense days (2 write-ups) will result in a conference involving program staff, Camp Director, camper and parent/guardian(s).

Three three-offense days (3 write-ups) will result in a one day suspension from the camp program.

Four or more three-offense days (4 or more write-ups) could result in further suspension or dismissal from the program without a refund.

Serious infractions will be handled on a case by case basis and can result in an automatic demerit, suspension, or expulsion from the program.

The suspension will be in effect on the earliest day following the offense. The Camp Director will notify the parent/guardian.

If inappropriate behavior persists or the behavior completely disrupts a program, removal from the program or activity may be necessary. Once again, the agency reserves the right to dismiss a participant whose behavior endangers his or her own safety or the safety of others. Depending on the situation and the degree of the offense, a program participant may be given a demerit, suspended, or permanently dismissed from the program following the offense.

When to Contact the Police:

- If participant makes a direct threat of hurting himself, a parent/guardian will be called immediately. If a parent/guardian is not available, the police will be called and the direct supervisor or management staff will be informed immediately.
- If a participant becomes overly aggressive and violent, the police will be called and the direct supervisor or management staff will be immediately informed.
